

# Favorit Wash & Wax

## DESCRIPTION

**Favorit Wash & Wax** is an emulsion containing wax, surfactants. It allows deep cleaning and creates a high gloss protective film on the surface.

## TECHNICAL FEATURES

Type: water-based, floor cleaning and polishing agent

Color: opaque liquid

Smell: mild, citrus-like

pH: 8-9

Biodegradable

Packaging: 1 és 5 kg

Storage: 6 months in unopened original packaging, stored in a dry and frost-free location.

## APPLICATION

The application must be completed within a temperature range of 10° - 25° C.

For weekly floor care, add 100-200 ml of **Favorit Wash & Wax** to 10 liters of water and apply to the floor using a mop or a soft cloth. The depth of shine and the degree of protection depend directly on the product concentration.

Use a high-speed polisher with a white or cream polishing wheel on a dry surface to increase the brightness.

## CLEANING

Clean tools with water after use.

Version: 2.0, 24.02.2020.
